

Wild Writing in the Wetlands

In-Person Workshop
in Chelsea, MI

In This Workshop We Will:

- Create Mind & Body Maps, pulling scenes from memory.
- Pick a scene, and an object within it, & cluster them on the page, locating them in our bodies.
- Walk across the wetlands & out into the forest.
- Hand our scene/object over to the wetlands forest and ask for its wisdom & guidance.
- Bring back what the wetlands tells us and allow that to illuminate & transform our writing.
- Read our writing aloud to each other & experience the healing that occurs in our sacred circle.
- Benefit from the increase in our imagination and creative power.
- Craft innovative pieces of writing that can be revised for possible publication.
