Join AWA's writing fundraiser this May!

Every May, you're invited to write with workshop leaders across the globe in support of AWA. There are [writing sessions](#) almost every day!

Proceeds from each session in our Write Around the World fundraiser go towards AWA and support all the writers in our community.

Write Around the World (WAW) was all-online for the first time in 2020 and we're keeping that going this year. We've found it's a great way to bring our global community together.

Volunteer workshop leaders are [signing up now](#).
