

Wellspring Writing with Julie Mariouw

Share this event:

Julie Mariouw is fascinated by the role of the physical body in writing. She uses metaphor, the senses, polarity, and physical movement in her workshops.

Join AWA's writing fundraiser this May!

Every May, you're invited to write with workshop leaders across the globe in support of AWA.

Proceeds from each session in our Write Around the World fundraiser go towards AWA and support all the writers in our community.

Write Around the World (WAW) was all-online for the first time in 2020 and we're keeping that going this year. It's fun to write with a group of people that might otherwise never meet! See donors from 2020 [here](#) and enjoy their writing on [our blog](#). You can share your writing with AWA's community this year, too.

To **FIND A WRITING SESSION**, view [the options](#) below. When you see an event that you're interested in, click on the title for more information and to register. You donate to the fundraiser each time you sign up. Join as many groups as you want! If you'd like to **MAKE AN ADDITIONAL DONATION**, we [thank you!](#)

Please reach out to us with any questions at info@amherstwriters.org.
